Ringkasan

Develop software?

Let's discuss and contribute together.

Building software is not just digitizing the system. but with the software, we can help many people.

Hello. My name is Taufiq, a person who likes to learn and explore new things, likes traveling. enjoy solitude with the sounds of nature and environmentalist.

I have experience working as a mobile developer cross platforms mobile app using React Native, Web platforms using (ReactJs, Redux, antd) , Backend (NodeJs, Sequelize, MsSql), and have experience using: Git Control Flow, Docker, and Jira Management Tools

In my spare time, I like to do sports activities at the fitness center, running around the housing complex and like to do cooking.

Feel free to reach me :)
